INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, if I was ever arrested, they wouldn't be able to fingerprint me. There's nothing to print. I've rubbed my fingers smooth!

It's all BARELY LEGAL's fault. How am I supposed to keep my hands out of my panties with these girls staring up at me from every page saying KISS ME, LICK ME, SIT ON MY FACE?

And OMG, the *mess* I'm making. *Everything* is sticky. The page proofs. My stapler. This keyboard that I'm typing on right now. (The lady in charge of computers is going to *kill* me. LOL!)

Oh, well! It's all part of the best job ever on earth. :)

How about you guys? Are *your* hands sticky?

xxx Lindsey

CHLOE

glowing up

Hey, everybody! It's Abby the intern. College freshman Chloe is so pretty she *sparkles*.

Hi, Chloe! What are you studying at school?

Nutrition. I love learning how to eat healthy. I want to help other people learn, too.

What are your favorite pastimes?

Spending time with friends and family, experimenting with vegetarian recipes, and playing with my dogs.

What is your best physical feature?

I like my whole body!

How often do you masturbate?

Every day. Orgasms are good for you. They relieve stress and give you glowy skin.

I can see that! What turns you on the most?

My number-one turn-on is a foot massage. I get tingly all over. :)

What turns you off?

I don't know! I try not to focus on the negative aspects of things.

Do you like to give head?

I love to. It always feels good to make someone else feel good.

Do you swallow?

Of course! BTW, semen is a good source of protein. ;)

What's your favorite way to have sex?

As often as possible!

What's the wildest thing you've ever done?

Besides this? Let someone lick my b-hole. Which turned out to be *amazing*.

Did you like being wild and posing naked for us?

I loved it! I want to do it again!

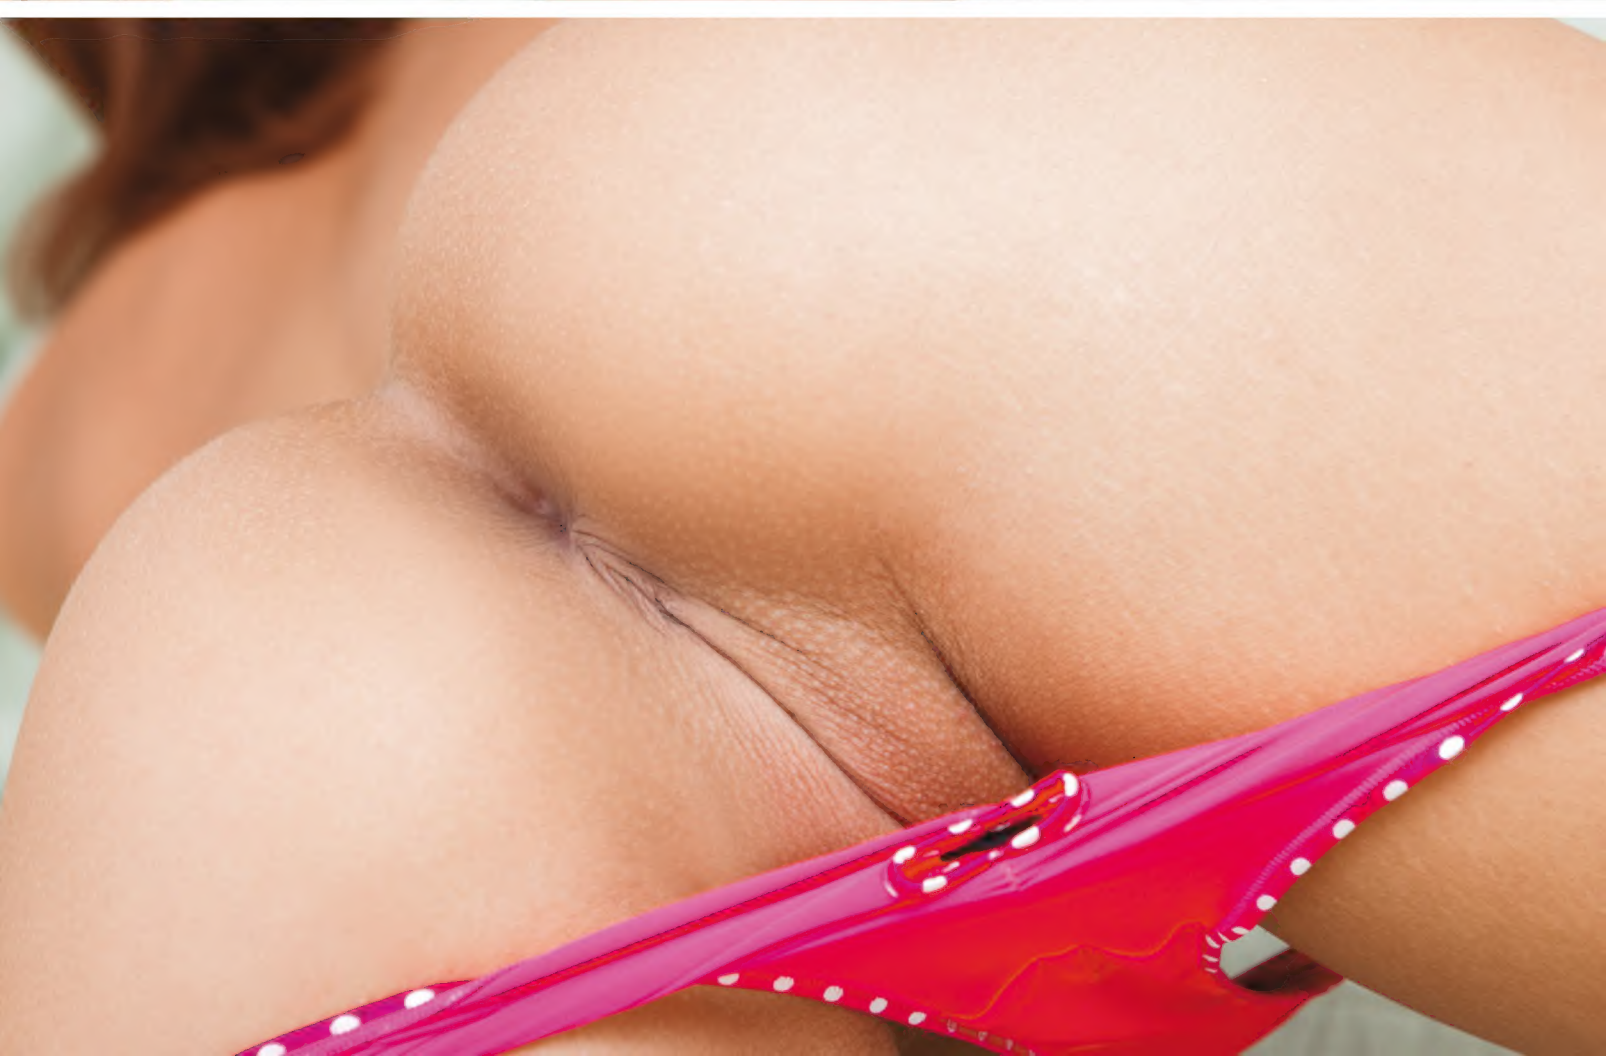

I think we can make that happen...★

Dear Lindsey,

Over the past six months or so I've noticed your magazine doing something I've been looking forward to for a long time. Ginger Grey (July 2022), Mia Kay (October 2022), Lila Love (December 2022), JC Wilds (January 2023), Madi Collins (February 2023), Terry (March 2023), and Tabitha Elm (April 2023) all have photos of their pussy in a FULL-PAGE photo! YES!! I've been hoping for this since way back in 2011 when Bonnie was in the magazine twice (April and November) and showed us her wonderful pussy both times in a full-page shot. (One was the best clit shot ever, and the other showed us her pee- and pussy-holes.)

Yes, we like to see sexy eyes, a cute nose, nice smile, great boobs (I like smaller ones), nice curves, and a nice butt, but we all want to see the girl's pussy. With a full-page shot, there is nothing to divert your attention away from that pussy.

MIA

Dear BARELY LEGAL,

The second I turned to Aneve's pictorial I instantly went to her Instagram and clicked follow. "Positively Beautiful" is an absolute understatement. This petite goddess made me put my cock down so I could write this and try to win her panties, already dying to know if her fragrance is vanilla, coconut, patchouli, or a mix alongside the fragrance of her absolutely beautiful pussy and ass just intoxicating my nose as I imagine her big, beautiful eyes and petite body dominating me, taking full control.

I'd put her panties in a frame alongside some photos of a second copy of this issue, so every time she puts out new content (or when *Hustler* makes her famous and puts out new content

Lindsey, please continue the full-page photos. At least one per issue. Maybe work up to two or three (or more) per issue. We will all thank you for that!

K.H.
Utah

K.H., I've always flip-flopped on full-page pussies—Are they too much? Do they take away from the rest of the girl?—but I never thought to ask you guys what YOU thought. Thank you for being the first to tell me!

Now I'd love to hear from more of you guys. Do you crave coochie close-ups?

—Lindsey

Dear Lindsey at BARELY LEGAL,

I really enjoyed the February issue. The cover girl, Xxlayna, was my favorite girl in the issue. I agree that her smile is perhaps her most alluring feature. But she just exudes her sexuality from her entire body! I expect I will be watching her career take off like a rocket, or like the cum from her male film partners! And she has such a FUN name, too! But why not XXXlayna? I hope she returns in another issue. The only thing that disappointed me was that she did not have a satisfactory spread shot.

I liked seeing Scarlett Hampton again. She is very beautiful!

DEAR BARELY LEGAL READERS

Hey, guys! It's me, Lindsey. Our question this month is inspired by the HOT weather: **Have you ever had sex outdoors?** Can't wait to hear from you!

But lacked what I crave to see in every model in your magazine—a great spread shot.

Madi Collins and Bella Rose gave me what I want to see. Madi is an adorably sexy little pixie. And Bella Rose is a wet dream. I was very excited to see her spread shots and one big photo showing her beautiful pink labia curled open without help from her fingers!

All in all a very great issue. Thank you, BARELY LEGAL, and thank you, Lindsey.

Mike C.
Michigan

Mike, thank YOU for your feedback. I hope you liked Xxlayna's repeat appearance in our June issue, even though she didn't spread too much (shy). Look for the return of that pervy little pixie Madi in our Anniversary issue, on sale July 25! —Lindsey

Dear BARELY LEGAL,

I just renewed my subscription for the third time. Then I checked my mail, and the February issue was there. It was beautiful! Every girl better-looking than the last, and your photographers working their magic, showing the girls at their best and sexiest. They are true artists.

It was clear that I made the right choice renewing.

J.W.
Oregon

J.W., you have made my day AND the day of our photographers, once I show them your letter. Thank you!

PHOTOGRAPHY BY THEBAREMOOD.COM

Do you guys think this lingerie makes me look older? I stole it from my mom's secret drawer to wear the next time I'm with my new boyfriend Barry. He doesn't know I'm only 18. He's a lot older (37).

I almost ruined *everything* the first night we were together. I was so excited! I was finally going to have sex with a man instead of all these little high school boys I've been wasting my time with.

Barry and I were on his couch, making out. He slid his hand down my tummy and between my legs. My pussy was wet and waiting—but he zoomed right past it and up between my butt cheeks.

"I bet you've got a tight little asshole," Barry whispered in my ear.

"What?" I clenched my cheeks tight. Only because I was surprised—not scared or anything.

Barry went cold and pulled his hand away. *Omigod*, I thought. *He's going to think I'm a total child who has never done anal.* I unclenched and said, "Ooh! I love sex in the butt."

Barry got all happy again. "That's my girl!"

He flipped me over, pulled my panties down, and rubbed his spit into my butt hole. I grabbed the arm of the couch and took a big breath. In my head I was all, *Please, please don't let anything embarrassing happen! No weird sounds! No SMELLS!*

I could feel the tip of Barry's dick nudging my asshole. Slowly it squeezed into the tiny space, inch by inch. I gripped the couch arm. Oh god! I was going to be torn in half!

One more inch. It was all the way in. It was...not bad. I could do this.

"Harder!" I thrust my butt back.

It felt good, actually.

"Harder! Harder!"

Barry dug his fingers into my cheeks and slammed his dick into me, over and over.

"Come in my ass!"

Wet heat filled my insides. I fell over and rolled onto my back, Barry's cum leaking out of my butt hole. I was sore but happy.

It was a close call, but I think I did a pretty good job. Barry will never guess it was my first time. Will he? ★

COCO LOVELOCK

coo coo for coco

Hey there, guys! It's Stacy the intern. I just love porn cutie Coco's fuzzy little kitty—don't you? ;)

We're so happy to see you again, Coco (January 2023)!

What do you like best about posing nude?

The thing I like best is that it's the most raw form of yourself. You're letting everyone see everything. You're putting everything out there and not hiding who you actually are from people.

What do you like best about doing porn?

The thing I like most is creating something—all the story lines and everything that goes into it—and then you get to get fucked at the end of it all, ha ha.

How often do you masturbate?

At least two times a day, but I usually find someone else to take care of my needs for me.

What kind of guys do you like?

I like people who are kind. I don't really have a type besides

nice, funny guys.

What kind of girls do you like?

I like girls with big titties and full lips and wide mouths.

How do you like to be fucked?

I like to be fucked hard and fast.

Where is the weirdest place you've had sex?

In the back of a van while it was driving down a freeway.

What is the wildest thing you've ever done?

Licked cum off of a toilet seat after giving a blowjob.

What's the best way for a guy to ask you out?

The best way is to just do it, and do it with confidence.

How would you describe your dream date?

My dream date is a picnic on the beach with champagne. No music—just us two talking and enjoying the moment.

Is there anything else you would like to tell our readers?

Be kind to one another. You never know what someone else is going through, and just being a nice person to someone could change the trajectory of someone's day or life. ★

MONA

a girl and her slave

Mona saved a boy's life. The bored, brassy 18-year-old sexpot was strolling across campus when she accidentally hit a wasps' nest with a stick. The swarm attacked meek Steven Millsworth as he sat studying under a nearby tree. Mona watched with fascination and horror, then ran and called an ambulance. Steven lived. As soon as the young man's swelling went down, he returned to school and found Mona.

"If it wasn't for you, I would be dead," Steven said solemnly. "I will do anything to repay you."

"Traditionally, you are supposed to be my slave for the rest of your life," Mona informed him, "but since I couldn't stand being with you for that long, I'll let you be my sex

slave for the summer."

The young virgin laughed nervously, "Okay."

Steven was a lousy slave at first. He couldn't French kiss and was way too squeamish to eat pussy. But a few weeks of Mona's tough love turned the bashful virgin into a crazed love-servant. Mona taught Steven to fuck doggy-style without shooting his load after five seconds. Steven licked Mona's taint and, sometimes, Mona punished Steven for making her come too fast. But Steven didn't mind being peed on. He would do anything to serve his mistress. He would have remained Mona's willing slave forever. Too bad Mona saved that other boy from being crushed by a falling vending machine. ★
